

Road trip POTA

Lake Bodcau WMA

Saturday, March 4th

On Saturday March 4th some HAMS are meeting at Cracker Barrel in Longview at 7 AM. At 8:15 we will carpool to Lake Bodcau Wildlife Management Area North of Shreveport, LA. We will set up POTA stations near the campgrounds. Bodcau (K-4051) is a rare park and should be fun to activate. An HF station will be setup for anyone who wants to operate. There are restrooms nearby, trees for antenna wires and large metal grills for magmounts. Be advised there are hamfests and a contest on this weekend also.

You will need to purchase a \$4 permit ahead of time for the WMA. You can purchase one at this link -
